Education

Overseas Family School | IB Diploma

Pasir Ris, Singapore | 8/2022 - 5/2024

IB Score: 41/45

GPA: 3.80/4.00

Related Coursework: Data Structures & Algorithms, Computer Organization & Programming, Computational thinking, Basic networking, Object-Oriented Programming in Java, Statistics & Applications.

Projects

Asset Management Web Application

Pasir Ris, Singapore

Sole Contributor

Nov 2023 – Feb 2024

- Utilized Java, Python, JavaScript, and SQL to automatically collect and maintain inventory of a user's financial assets by extracting data from CSV files.
- The data was used to form long-term charts displaying users' investments, showing users' Return on Investment, and other financial indicators.

Multi-Cloud Security Review Application

Pasir Ris, Singapore

Sole Contributor

Oct 2024 – Present

- Used Java, SQL, and multiple cloud platform REST APIs to create an integrated view which displays users security recommendations as well as cloud instances and resources across all of their cloud platforms (Azure, AWS, GCP).
- The data is then utilized to form in-depth security reports on a daily basis for users of the platform allowing them to simultaneously monitor and manage multiple cloud platforms on a single app.
